## MENU

### BUG JUICE

#### Ingredients:

- 6 oz frozen lemonade concentrate, thawed
- 2 liters ginger ale
- 1 small container, green sherbet
- 1 cup raisins

#### Instructions:

1. In a large punch bowl, combine frozen lemonade and ginger ale, mixing until lemonade is completely dissolved.
2. When ready to serve, add scoops of green sherbet to the bowl to chill, placing raisins on top to resemble teeny tiny bugs!

### THE CARROT PATCH

#### Ingredients:

- 10 oz. frozen chopped spinach
- 16 oz. sour cream
- 1 cup mayonnaise
- 1 package vegetable recipe mix
- 1-2 packages baby carrots

#### Instructions:

1. Cook, cool and pat dry the chopped spinach.
2. Stir together spinach, sour cream, mayonnaise and vegetable mix in a medium bowl and chill for 1 hour. Your carrot patch is now ready for carrots!
3. When ready to serve, place several baby carrots in the dip, sticking out of the top.

## BUNNY DIPPERS

### Ingredients:

- 8-16 oz medium cheddar cheese block
- 1 bag thin pretzel sticks
- 8 oz dijon mustard

### Instructions:

1. Cut cheese into ½ inch cubes, sticking two pretzel sticks in the top to make bunny ears.
2. Serve with a small bowl of dijon mustard for dipping.

## DIRT CUPS

### Ingredients:

- 3.9 oz JELL-O Chocolate Instant Pudding
- 1 cups cold milk
- 8 oz Cool Whip topping
- 15 OREO cookies, finely crushed
- 1 package gummy worms
- Small paper or plastic cups

### Instructions:

1. Mix pudding and milk in a large bowl, let stand for 5 minutes.
2. Stir in Cool Whip and ½ of the OREO cookie crumbs.
3. Spoon mixture into paper or plastic cups and refrigerate for 1 hour.
4. Before serving, top off the cups with remaining cookie crumbs and a few gummie worms.

## ACTIVITIES

### BUG BASKETS

Every Limited Edition HEXBUG Nano Easter Egg deserves its very own custom-designed carrier. Kids will love the opportunity to decorate and assemble their own unique HEXBUG Nano Easter Egg carrier. Pass out the supplies and let the fun begin!

#### Supplies:

- Scissors
- Markers or Crayons
- Glue Stick or Double-Sided Sticky Tape
- 11 HEXBUG Nano Easter Egg Carrier templates

#### Instructions:

1. Set-up an area for the children to decorate their baskets and pass out one HEXBUG Easter Carrier template to each child.
2. Instruct each child to personalize their HEXBUG Nano Easter Egg Carrier templates using markers or crayons - the more colorful your carrier is, the happier your HEXBUG will be!
3. After each child finishes decorating their carrier, cut them out by cutting along the dotted lines.
4. Once all baskets are cut out, put them together by folding along the solid lines and secure by placing glue or double-sided sticky tape on each 'X'.
5. Lastly, attach the handle to the sides of the carrier to complete these personalized HEXBUG Nano Easter Egg Carriers!

### BUG HUNT

This isn't your old-fashioned bug hunt! Divide your party into teams and let them loose in the backyard for this modern day bug hunt. Which team will retrieve the most HEXBUG Nano Easter Eggs? Only time will tell!

#### Supplies:

- 11 HEXBUG Nano Easter Eggs
- 11 plastic Easter eggs
- Bag of small candy
- Timer

#### Instructions:

1. Prior to the party, fill each of the 11 empty plastic Easter eggs with

**nano**  
MICRO ROBOTIC  
CREATURES

candy and hide them, along with the 11 HEXBUG Easter Eggs throughout a designated play area.

2. Divide each of the children into two equal teams.
3. On the word "Go!" the race begins and the kids must rush to find as many plastic Easter eggs as possible within 3 minutes. The team that finds the most HEXBUG Nano Easter Eggs wins!

## CATERPILLAR CRAWL

Ever wonder what it's like to squirm around on the floor like a bug? Well, now it's your chance to find out! Get on the floor and help your HEXBUG Nano Easter Egg get to the finish line...using only your nose. Get ahead of your friends and you're the Champion of the Caterpillar Crawl!

### Supplies:

- 11 HEXBUG Nano Easter Eggs
- Masking tape

### Instructions:

1. Using tape, mark a start and finish line at least 10 feet apart - the further they are, the harder the game.
2. Line the children up side by side on the starting line (allowing at least 3 feet in between each child) and give each child 1 HEXBUG Nano Easter Egg.
3. Just before the start of the game, have each child lay on their tummies and place their Easter eggs in front of them.
4. On the word "Go!" each player will set their HEXBUG Nano Easter Egg in front of their nose and without using their hands, nudge their Easter egg in the right direction towards the finish line. The first player to reach the finish line wins!

## DIZZY BUNNY

Get ready to get dizzy with this fast-paced dizzy race! Kids must spin around in circles, hop to the finish line and set their HEXBUG on a dizzy finish through the HEXBUG Spiral Starter Set. It's bound to be full of giggles and wobbles!

### Supplies:

- 11 HEXBUG Nano Easter Eggs
- HEXBUG Spiral Starter Set
- Masking Tape
- Timer

### Instructions:

1. Prior to the party, put together the HEXBUG Spiral Starter Set.

**nano**<sup>™</sup>  
MICRO ROBOTIC  
CREATURES

2. Tape off a starting line, and place the HEXBUG Spiral Starter Set 20 feet away as the finish line.
3. Lining the children up single file at the starting line, give each child a HEXBUG Nano and ask them to remove the bunny ears and switch it on.
4. On the word "Go!" each child, one at a time, must spin around in a circle 5 times then hop like a bunny towards the finish line. Once the finish line is reached, the child must place their HEXBUG Nano in the top area of the Spiral Starter Set - when the HEXBUG finally reaches the bottom arena, their time stops. The child with the fastest time wins!
